**Re: Spero v. Vestal CSD, et al.**  
**Civil Action No: 3:17-CV-007 (GTS/DEP)**

Dear Judge Suddaby:

At approximately 5:50 p.m. this evening we filed on behalf of Plaintiff a Cross-Motion for Summary Judgment and papers in opposition to Defendants' Motion for Summary Judgment. While we received on screen notification that our filing had been successful (*see* Docket Number 104) we did not receive the typical email notification that it had been filed. I write to ensure that opposing counsel as well as the Court is aware of our filing. We will follow up with the Court tomorrow to determine if there was an issue with our filing.

Thank you kindly for your attention to this matter.

Respectfully,
